*Class Descriptions*

**Princess Playtime (2-3 yrs):** Gives young toddlers the opportunity to interact with other children while learning coordination and listening skills in a structured environment. This class teaches basic dance movements and includes ballet basics, tap, and tumbling.

**Creative Dance (3-4 yrs):** Creative Dance is an introduction to basic dance movement. It incorporates Ballet, Tap & Tumbling. The class uses a creative approach to learning through games and props.

**Combo (4-6 yrs):** Combo is a beginning dance class that introduces basic dance movement. The class incorporates Ballet, Tap & Tumbling. Students taking this class will learn dance terminology and prepare themselves for more advanced classes in the future.

**Jazz:** While using music of today, this form of dance is most commonly seen on TV videos as well as on stage. This fun class develops style, strength, flexibility, and coordination. Jazz technique classes will focus mainly on different types of turns and leaps.

**Leaps & Turns:** This class concentrates on the technical aspects of ballet & jazz by teaching ballet barre and a series of jumps, leaps, and turns. This class develops strength, balance and body alignment.

Beginning- No experience necessary

Intermediate- Must have a basic ballet background as well has a perfected double turn & working on fouette/a la seconde turns

Advanced- Must have ballet background and have a triple turn & multiple fouette/a la seconde turns (must have permission from an instructor if under 10 years old).

**Ballet:** This class concentrates on the technical aspect of ballet for the purposes of improving technique. This is a structured discipline of dance that includes barre work, center combinations, turns, and jumps.

**Hip-Hop:** This dance style is often seen in today's music videos and is taught to contemporary music. This exciting class emphasizes body movement and rhythm and is a great way to learn all of the new moves of today!

**Ballet Conditioning:** This class focuses on strengthening and muscle control through exercises used in yoga, pilates, and ballet.

**Pointe:** A form of Ballet in which dancers wear specially designed shoes to allow dancers to dance on the tips of their toes. **MUST BE INVITED TO THIS CLASS!** Pre-Pointe is open to any student interested in taking Pointe, but needs to work on strength and technique.

**Song & Dance:** This class focuses on basic singing techniques and incorporates musical theatre style dancing. At the end of each 8 week session the class will perform a piece from popular musicals, such as Annie, Lion King, Peter Pan, etc.

**Storytime Sing Along (18mo-3 yrs - Parents and me) and (3-4yrs):** This class introduces young children to music, instruments, and stories. Teachers use stories and sing along songs to aid in the development of children's cognition and creativity. Children should wear comfortable clothing suitable for playing on the ground.
