# Class Descriptions

#### School Cheer Prep

This class is designed to help cheerleaders prepare for junior high or high school try-outs. They will be covering all aspects of a try-out such as motions, jumps, and tumbling. If you want to make your school team be sure you check out this class.

#### Tumble JR

This class is designed for athletes ages 3-6 years old. Keeping with our fun class environment your athlete will be introduced to tumbling, as well as using the balance beam, bars, and rings. This class will help teach the athlete the proper progression to get ready for an academy tumbling level 1 class.

#### Tumble 1

This class will teach the basic body positions through various exercises. Students will practice to perfect the handstand, round off, and backbend kick over. Strength conditioning will be included to prepare the athlete towards learning a back handspring. No previous experience is needed to join this class.

#### Handspring Class

This class will teach the techniques of the standing and round-off back handsprings only. This class will help to bridge the gap between levels one and two. It is highly suggested that athletes coming from level 1 tumbling attend this class before entering level two.

Required skills are: Strong rebound from a round off, Handstand to bridge with a stand-up, Back bend kick over

#### Tumble 2

In this class students will focus on perfecting a standing back handspring as well as a round off- back handspring. While continuing to perfect body positions taught in tumble 1, students will learn the basics in combining skills such as standing and running double back handsprings.

#### Intro to Tuck

This class is designed to take level 2 students that are ready to learn the basics of a back tuck. It will help bridge the gap and get them ready for a level 3 class.

Required skills are: Standing double back handsprings, Round off back handspring series

#### Tumble 3

This class will introduce students to flight skills such as front and back tucks. While continuing to perfect front and back handspring series, students will practice techniques that focus on core building. Students will train to perform tucks traveling into and out of round offs and back handsprings.

Required skills are: Round off tuck/Round off BHS tuck with a light spot or on the trampoline.

#### Tumble 4

This class is designed to master body control in flight skills as well as combination passes. Students will learn body positions to prepare them for twisting skills such as the layout. Standing tucks previously introduced will be refined here.

Required skills are: Round off back handspring tuck, Standing tuck with light spot

#### Tumble 5/6

This is our most advanced class offered. Students will work to master elite skills such as multiple twists and trick combination passes. Emphasis will focus on standing skill combinations and perfecting their running tumbling passes.

Required skills are: Standing tuck, Back handspring back tuck, Round off back handspring layout
